MANIDHAR PATI

Machine Learning Engineer | +91 8008106844 | manidharmanidhar2@gmail.com

PROFESSIONAL SUMMARY

Applied ML Engineer with 3+ years building production-grade systems on AWS, automating decisions and optimizing revenue. Expert in Python, Docker, and scalable ML deployments, driving significant business impact.

PROFESSIONAL EXPERIENCE

* Designed, developed, and deployed a production-grade predictive model using Python and AWS services, automating critical business decisions and achieving a 15% improvement in operational efficiency.
* Orchestrated end-to-end MLOps pipelines using Docker and AWS for continuous model deployment and monitoring, reducing deployment time by 40% and ensuring data quality for critical features.
* Implemented and validated A/B tests for machine learning-driven recommendations, optimizing key performance metrics that resulted in a quantifiable 12% uplift in customer engagement and revenue.

EDUCATION

Bachelor in Business Management - MIS | 2021

SKILLS

Python, SQL, AWS, Docker, Kubernetes, TensorFlow, PyTorch, Generative AI
